INSULATED STEEL GARAGE DOORS

GENERAL DOORS
Corporation

A photograph of a brick house with a grey shingled roof. The house features two white carriage-style garage doors with black handles and window panes. The house is set on a green lawn with a grey driveway in front. The text is overlaid on the left side of the image.

For nearly as long as there have been garages, General Doors has been making doors for them. Since the heyday of classic automobiles and the advent of the two car garage home, we have been providing homeowners with doors that look great and deliver years of dependable performance.

advantage™ carriage house
INSULATED STEEL GARAGE DOORS

The Advantage™ Carriage House door is true to its name offering all the benefits of modern technology, low maintenance and high performance materials that provide years of dependable service. Designed to complement most architecture and reflect the classic elegance of wooden carriage doors, the features of the Advantage Carriage House series include:

- Raised or Beaded panel design
- Swing or tri-fold style panel arrangement
- Finely detailed woodgrain texture
- 26 gauge hot-dipped galvanized steel skins
- Durable 2-coat baked-on polyester paint finish on both sides of door
- Sandwich-type construction with 1-3/8" polystyrene insulation (R=6.6)
- Double tongue and groove joint for tight seal between sections
- Thermal Break between steel skins
- Heavy duty hardware and standard design full leaf hinges
- Heavy duty track with our exclusive elliptical curve for smooth operation
- Three year hardware warranty
- Limited lifetime warranty against rust-through on door sections

When you buy a General Door, you're not just getting a superior garage door you're getting professional installation and service from an independent local dealer. This is an important service when you consider the size of your door, the number of times you use it, and the

importance of your door to the appearance and functioning of your home. Your dealer can advise you on the options and upgrades available to the hardware, springs and rollers that may be appropriate to your location and situation. Windload rated doors are available if required by local building codes.

THE ADVANTAGE™ CARRIAGE HOUSE CUSTOM OPTIONS

LITE OPTIONS

Garage door lites have a great deal to do with the overall look of any garage door. The Advantage Carriage House door offers either 2 lite (long panel) or 3 lite (short panel) window options, and several distinctive design trim styles that work with a variety of architecture. Color matched frames and design trim inserts that snap-in and out for easy glass cleaning are standard.

DECORATIVE HARDWARE

Nothing says custom door like General Doors' custom decorative hardware. Inspired by antique carriage door hardware, and available in wrought iron or flat black, this finishing touch can transform the look of your door – and even the look of your home.

COLORS

A white door is not always right for every home. That's why General Doors offers a choice of three factory-applied, baked-on colors that never need repainting. Sometimes, however, painting the doors with a custom color to complement your home's exterior is the best approach. Our pre-finished steel also serves as the perfect base to apply your own latex paint.

THE DETAILS

Details are what separate finely designed doors from ordinary doors. Details define style. That's why Advantage Carriage House doors feature deep beaded or authentic looking raised panels. The details make the difference.

LIMITED LIFETIME WARRANTY

In addition to the standard Three Year Hardware Warranty, General Doors Corporation warrants the door sections of its Advantage™ Carriage House series door against deterioration due to rust resulting from the paint finish cracking, splitting, or peeling in residential single family installations for as long as original purchaser owns his home. If your garage door does not conform to these warranties, notify the dealer from whom the door was purchased. If any door sections are found defective upon inspection by an authorized General Doors representative, General Doors will replace or repair, at its option, the defective sections.

This warranty covers the door section(s) only, and does not apply to other parts of the garage door or its operating hardware. This warranty also does not apply to any

damage or deterioration caused by abuse, improper installation or handling, applied paint failure or failure to provide reasonable or necessary maintenance, alterations and/or additions to door, presence of foreign substances or atmospheric conditions including but not limited to coastal areas subject to excessive salt atmosphere. Labor charges for installation shall be the responsibility of the owner. General Doors is not liable for consequential or incidental damages, or for any other direct or indirect cause.

All warranties express or implied, including any warranty of merchantability are hereby expressly excluded.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state.
