THE

BERKSHIRE SERIES

*R-12 Insulating Value

Wood Finish FP

**The Insulated Steel Door
That Combines Strength,
Safety And Endurance With
The Beauty Of A Natural
Wood Appearance.**

FEATURES:

- The **Berkshire FP** is 1 3/8" thick (measured through endcaps) and has a polyurethane insulating core with an R-value of 12.
- Both interior and exterior skins are .016" thick hot-dipped galvanized steel (G-60) that is pre-finished with an epoxy primer, baked-on polyester finish, and UV resistant clear top coat.
- Sections have a thermal break and dual weather seal between the sections for tight closure and energy efficiency while featuring a special finger protection system that prevents finger entrapment between the panels of an operating door.
- **Limited Lifetime Warranty** on door sections.

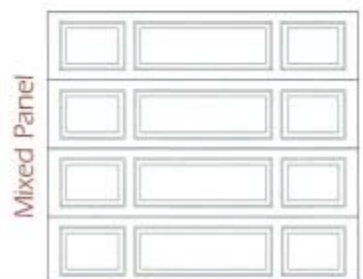

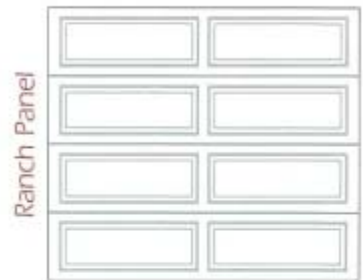

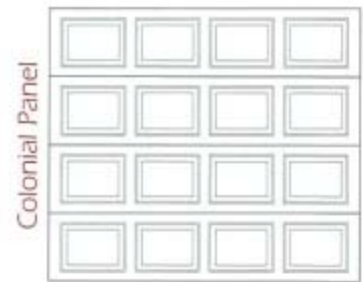

APPEARANCE:

- The **Berkshire FP** features a finely detailed embossed wood grain surface and is available in multiple panel designs that can compliment a wide variety of architectural styles.

TOP QUALITY HARDWARE:

- Heavy-duty track with a unique elliptical curve reduces the force necessary to roll the door along the track making opening and closing easier and smoother.
- Heavy gauge hinges and special commercial grade rollers offer superior strength and provide for years of quiet, trouble free operation.

Panel Design Options

Berkshire FP Lifetime Limited Warranty

In addition to the standard One Year Limited Warranty offered on all its products, General Doors Corporation warrants the door sections of its Berkshire FP model door against delamination and deterioration due to rust resulting from the paint finish cracking, spitting, or peeling in residential single family installations for the lifetime of the door to the original purchaser. If your garage door does not conform to these warranties, notify the dealer from whom the door was purchased. If any door sections are found defective upon inspection by an authorized General Doors representative, General will replace or repair, at its option, the defective sections.

This warranty covers the door section(s) only, and does not apply to other parts of the garage door or its operating hardware. This warranty also does not apply to any damage or deterioration caused by abuse, the presence of foreign substances, applied paint failure or failure to provide reasonable or necessary maintenance. Labor charges for installation shall be the responsibility of the owner. General Doors is not liable for consequential or incidental damages, or for any other direct or indirect cause.

All other warranties, express or implied, including any warranty of merchantability are hereby expressly excluded.
This warranty gives you specific legal rights and you may also have other rights which may vary from state to state.
